**Part III REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach, disclose, or suggest the claimed limitations of (in combination with all other limitations in the claim), an image reproduction control apparatus comprising a storage unit using a detachable memory which stores plural reproducible images and a reproduction instruction file; a display control unit displaying thumbnail images corresponding to the images in the detachable memory, wherein the displayed thumbnail images include at least one indicium to distinguish between images that have been designated by the reproduction file for reproduction and images that have not been designated by the reproduction instruction file for reproduction as claimed in claim 63.
